

# Brunswick Civil War Round Table

## Meeting Announcement

Over the past twelve years, audiences have been enamored, entertained, fascinated, and have learned so much about so many unique topics related to the Civil War as presented by our renowned guest speakers. We require our guest speakers to think out-of-the-box, and provide our audiences with unique and more interesting topics than simply focusing on battles, personnel, and military tactics, and always to include both North and South points-of-view. The goal is to increase the learning experience for every person who attends our monthly meetings, including folks without any real knowledge of the Civil War in order to fulfill our mission to educate and communicate an unbiased history of the Civil War to our community.

Currently, speakers and their topics are being finalized for the upcoming season which will begin on Tuesday, September 6<sup>th</sup>. Please continue to connect with this website for more detailed information about that first meeting, and future monthly meetings.
